

## SCIENTIFIC GAMES SYSTEMS TECHNOLOGIES WILL CONTINUE TO POWER NORTH DAKOTA LOTTERY'S RETAIL AND ONLINE SALES

**LAS VEGAS and ATLANTA – February 1, 2021** – Scientific Games Corporation (NASDAQ: SGMS) (“Scientific Games” or the “Company”) announces that the Company will continue to power retail and online sales for the [North Dakota Lottery](#) (or the “Lottery”) through a two-year extension of its systems technology contract through June 2024. Scientific Games advanced technologies will also continue supporting the North Dakota Lottery’s [Players Club](#), featuring [Pick & Click](#) online subscriptions and rewards-based [Points-for-Prizes](#) programs.

In the past two years, the North Dakota Lottery’s retail sales have grown 13% per year.

“It has been a pleasure for our teams to work with the North Dakota Lottery since it launched in 2004 to support the Lottery’s games and retailer network,” said Pat McHugh, EVP and Lottery Group Chief Executive for Scientific Games. “We thank the North Dakota Lottery and its board members for their longstanding trust in our company, and we look forward to continued responsible growth to benefit good causes in the state.”

The North Dakota Lottery offers five multi-state games including *Powerball®*, *Mega Millions®*, *Lucky for Life®*, *Lotto America®* and *2by2®* across its network of 450 lottery retailers in the Midwestern state of 800,000 residents.

“Scientific Games’ innovation teams are advancing lottery gaming systems, retail, online and mobile technologies to modernize our industry worldwide with focus on integrating the retail and digital experience for consumers,” said McHugh.

McHugh shared that the Company’s extensive research on rapidly evolving consumer and retail trends is leading its technology innovation teams, positioning its technology customers to generate maximum profits for vital state beneficiary programs and ensure future sustainability.

Scientific Games is a U.S.-based company providing games, technology and services to more than 150 lotteries around the globe, including nearly every North American lottery.

### **Forward-Looking Statements**

In this press release, Scientific Games makes "forward-looking statements" within the meaning of the U.S. Private Securities Litigation Reform Act of 1995. Forward-looking statements can be identified by words such as "will," "may," and "should." These statements are based upon management's current expectations, assumptions and estimates and are not guarantees of timing, future results or performance. Therefore, you should not rely on any of these forward-looking statements as predictions of future events. Actual results may differ materially from those contemplated in these statements due to a variety of risks, uncertainties and other factors, including those factors described in our filings with the Securities and Exchange Commission (the "SEC"), including Scientific Games' current reports on Form 8-K, quarterly reports on Form 10-Q and its latest annual report on Form 10-K filed with the SEC on March 1, 2021 (including under the headings "Forward-Looking Statements" and "Risk Factors"). Forward-looking statements speak only as of the date they are made and, except for Scientific Games' ongoing obligations under the U.S. federal securities laws, Scientific Games undertakes no obligation to publicly update any forward-looking statements whether as a result of new information, future events or otherwise.
