

STRENGTH OF SCIENTIFIC GAMES' DIGITAL LOTTERY AND SPORTS OFFERING SHINES AT 2021 EGR NORTH AMERICA AWARDS

Company Wins Lottery Supplier of the Year, Sports Betting Supplier of the Year and Sportsbook Platform Provider of the Year

LAS VEGAS and ATLANTA – June 23, 2021 – [Scientific Games Corporation](#) (NASDAQ: SGMS) (“Scientific Games” or the “Company”) celebrates three big wins at the 2021 EGR North America Awards, including Lottery Supplier of the Year, Sports Betting Supplier of the Year and Sportsbook Platform Provider of the Year. The awards, presented at a digital event this year, celebrate excellence in the online gaming industry and are considered the premier awards for suppliers and operators in the North American market. Judges for the EGR Awards include a panel of esteemed representatives from marketing, legal, consultancy and investment firms.

Scientific Games won the 2021 Lottery Supplier of the Year award based upon an excellent year, expanding digital lottery portfolio, thought leadership, solid market share and complete platform offering, according to judges’ comments.

The Company’s partnership with market leading U.S. operators was a key factor in being named 2021 Sports Betting Supplier of the Year, as it continues to make waves with customizable sports betting products that meet the needs of operators including *OpenArena™*, *OpenTrade™* and other turnkey components.

Scientific Games was recognized as the 2021 Sportsbook Platform of the Year due to strong growth and continued innovation and investment in its *OpenBet™* platform, in addition to managing bets on a large scale with 100% uptime experienced by operators during the biggest sporting events of the year in the U.S.

Barry Cottle, CEO for Scientific Games, said, “The strength of our North American digital lottery and sports offering is truly shining, and we are thrilled to be recognized by EGR as the Supplier of the Year in three major categories as we continue to innovate, serve an expanding customer base and solidify our position as the leading digital lottery and sports supplier in North America.”

Scientific Games is a leading global supplier of games, technology and services for the casino, lottery, social gaming, online gaming and sports betting sectors.

Forward-Looking Statements

In this press release, Scientific Games makes "forward-looking statements" within the meaning of the U.S. Private Securities Litigation Reform Act of 1995. Forward-looking statements can be identified by words such as "will," "may," and "should." These statements are based upon management's current expectations, assumptions and estimates and are not guarantees of timing, future results or performance. Therefore, you should not rely on any of these forward-looking statements as predictions of future events. Actual results may differ materially from those contemplated in these statements due to a variety of risks, uncertainties and other factors, including those factors described in our filings with the Securities and Exchange Commission (the "SEC"), including Scientific Games' current reports on Form 8-K, quarterly reports on Form 10-Q and its latest annual report on Form 10-K filed with the SEC on March 1, 2021 (including under the headings "Forward-Looking Statements" and "Risk Factors"). Forward-looking statements speak only as of the date they are made and, except for Scientific Games' ongoing obligations under the U.S. federal securities laws, Scientific Games undertakes no obligation to publicly update any forward-looking statements whether as a result of new information, future events or otherwise.
